Hello Danilo, Sorry I did not have a chance to thank you sincerely for all of your efforts for the 54th Annual Alpini Dinner Dance. Your organization skills proved to be incredible! Here are some words expressed by my family: "It was such a heartwarming event...many tears and many memories to be shared...My Father, Pietro Sfreddo would have been very proud to be honoured in this beautiful manner. Thank you to all those involved in the planning of this memorable event!" I will be sure to complete the DNA Alpini Registration Form and will see you at the picnic. Again, mille grazie per tutto! Sandra Marcucci

Good Morning Danilo. Saturday was a very special night. Both my husband and my grandson are still talking about Nonno Bottos. The remainder of the family also had a good time! Thank You Danilo Alberta Bottos

Danilo/Loretta. Kudos to the two of you for your hard work in organizing the Alpini event. It was a success!!! I am so glad I came. I know my dad would have wanted me to attend. Too bad my grandson is too small or I would have had him come along.....I really would like to get a copy of the video. The history behind the Alpini, the Alpino prayer, and the tribute to the deceased. I will then make a copy for my brother - he would have liked to come if only he lived closer. Danilo,

One unforgettable evening and honoured to be a part of it. I know there were 17 gone but not forgotten Alpini smiling down on all of us. Thank you and all organizers for the time and effort to make this commemorative ceremony an enormous success.

Our family looks forward to the upcoming Alpini picnic and future festivities. The Spera Family

Good morning Danilo! Firstly, I want to thank you and your Association for last night!

I was honored and felt very privileged that I was able to be part of such a beautiful ceremony for our lost Alpini. The Rizzi family was able to honor and celebrate 2 Alpini

It was truly a very emotional experience for my brother and me. My Father Eligio Rizzi completed his military duty and become an Alpini. I remember growing up and him telling when he was in the army and his time during the war, the sacrifices that he made to come to this country and how proud that he to be Italian he was also a very proud Canadian! Again, I want to thank the Association and yourself for providing the opportunity to honor our fallen Hero's!!

Kind Regards,
Marisa Rizzi

Sefano Cologna told us that the day after his dad (Aldo) passed away they went to his house and found the letter "My Wish" on his kitchen counter. "It was like he was sending us a message. That is why my brother Boris and I had to take part and attend the Alpini Dinner Dance event. A very emotional evening!"
